

FBC BORDER TECHNOLOGY WORKING GROUPS AND DEMO DAY

Rescheduled to January 21, 2026

National Press Club, Washington, DC

Proposed Schedule

1:00 – 3:15 Border Technology Working Group Demos and Discussion

Discussion Leader: Solomon Wong, InterVISTAS

Border Technology Demos

1:10 **Perceptics** Demo and Q&A

1:40 **SITA** Demo and Q&A

2:10 **Chertoff Group** Demo and Q&A, *invited*.

Drawing from the preceding technology presentations, FBC will gather priorities and action items to advance border technology modernization. Discussion topics will include regulatory and policy issues, procurement challenges, and opportunities created by renewed engagement on border security. Participants will include government officials from the U.S. and Canada, transportation professionals infrastructure operators, and technical experts.

3:30 – 4:30 World Cup 2026 Technology for Travel Facilitation

Discussion Leader: Laurie Trautman, Director, Border Policy Research Institute

3:35 – 3:50 **AWS, PNWER and FBC** Demo of Know-Before-You-Go Border Info Tool

Demos will be followed by a working group discussion on new tools for passenger accessibility and security. Discussion topics will include work to date on passenger information, accessibility and security as well as recommendations for next steps and lessons learned from other regions. Participants will include government officials from the U.S. and Canada, transportation professionals, infrastructure operators, and technical experts.

Technical Notes

- All Demos will be accessible via Teams and Demo presentations recorded for posting by FBC YouTube Channel.
- Working Groups will be accessible via Teams and a Chatham House summary will be published through FBC media channels.
- FBC will provide an alternate date in the event of a continuing US government shutdown.

Next Steps

- Confirmation of terms and sponsorship fees with company participants
- Review of schedule, AV, and site needs with each participant. Please also provide a list of specific invitees you wish to add to our general summit and border community list.

7:00 P.M. FBC SUMMIT LAUNCH/VIP DINNER at National Press Club. Demo Day presenters and a guest are welcome to attend.
